COURSE DESCRIPTORS

Moms (or Dads) & Me: An excellent introduction to the world of dance! Class is structured to stimulate coordination skills, listening skills, balance, music interpretation, creativity, and motor skills development. Parents are in the room to make the transition into the dance studio fun for everyone!

Creative Movement: Dancers learn all about music, movement concepts, coordination, spatial relations, and self-expression. Classroom focus is on appropriate etiquette, fun through movement, and self-confidence.

Pre-Ballet: Designed for dancers ages 5+ who are ready for more structure. Class begins in center with stretches and strengthening exercises and introduces basic ballet terms and steps. Dancers will continue learning ballet etiquette as well as how to count music, travel across the floor, and learn choreography.

Pre-Jazz: A perfect pairing with pre-ballet! Students begin exploring the stylized elements of jazz technique, play high energy games to jazz rhythms, and learn choreography.

Ballet: A highly technical form of dance focusing on grace, agility, articulation, and musicality. Studio Pulse students experience a blend of Vaganova, Cecchetti, and Balanchine methods, learn proper alignment, expand their abilities at barre, in centre, and across the floor, and learn french terminology. Ballet is the foundation for success in most every other style of dance.

Pointe/Pre-Pointe: Students must train in ballet at least twice weekly and demonstrate technical proficiency and strength in ankles, feet, legs, and core for pointe shoe approval.

Contemporary/Modern: All program students training at Studio Pulse will experience today's dominant performance genre. Students are introduced to elements of modern dance, postmodern release technique, partnering outside of the classical sense, improvisation skills, and will learn to reconfigure ballet technique as it applies to today's unique contemporary dance language.

Jazz/Musical Theatre: Theatrical jazz explores a wide of range of both angular and slinky movements to syncopated rhythms and popular music. Classes will provide a deeper understanding of body alignment, shifting of the weight, and confidence with traveling movement phrases. Students will experience Fosse influences and Broadway flair.

Acro: This acrobatics/tumbling course focuses on fundamental acrobatic technique to increase flexibility, strength, balance, coordination, endurance, timing, body awareness, self-discipline, and confidence. Skills learned will directly influence contemporary dance abilities.

Hip Hop: This fun course introduces hip hop fundamentals to great music. Class focuses on building the foundation to execute popular dance and break dancing moves to original choreography and includes isolations, hard-hitting exercises, and energetic routines to build stamina and increase musicality.

Flexibility for Dancers - This conditioning class focuses on using strength and body awareness to improve overall flexibility and control. Its focus is to build the strength required to support important flexibility and will help dancers refine their lines and technique. For those looking to take their dancing to the next level!

Competition teams: Competition teams are *supplemental* to our ongoing youth programs and introduce students to the exciting world of commercial dance. Participation in dance conventions and on competition teams is a valuable way for dancers to expand their movement vocabulary, push themselves to bring their very best for their team, gain more performance opportunities, build life-long friendships, and learn how to perform under pressure. Participation is by audition or invitation only, and students are required to continue their technical training in at least ballet **and** contemporary/modern while on teams as they represent Studio Pulse in state-wide competitions and conventions.

IMPORTANT POLICIES & WITHDRAWAL PROCESS

REGISTRATION: A student's spot in class is not reserved until their first month's tuition and registration fee have been paid. Monthly tuition accounts for longer months and holiday closures and is prorated for simplicity; this means that tuition payments remain the same monthly, regardless of closures or extra classes. All payments are non-refundable.

TUITION PAYMENTS: Tuition is due the first of the month. Our small business appreciates checks to avoid credit card fees. For your convenience, auto pay is available with a \$3 processing fee, and will be processed the first week of every month through May.

PRODUCTION FEES: Production fees assist in purchasing dancers' costume(s), and recital ticket sales aid in performance venue rental, dance flooring transportation & set up, additional rehearsals and staffing, union light and sound board operators, program books, venue insurance, costume shipping and *much* more. **Production fees are due no later than November 23 for every performing class and are non-refundable.** Fees are accepted any time before the due date on a sliding scale per dances your child is in: \$80, \$80, \$75, \$75, \$70. *Studio Pulse is unable to purchase/ship costumes for students with unpaid fees. We can't guarantee late paid costumes will still be available or arrive in time.*

***LATE & INSUFFICIENT FUNDS FEES:** A late fee of \$10 is applied automatically to past due accounts on the 10th of each month, per past due month. A late fee of \$10 is automatically applied to all unpaid production fees on December 10. **A \$10 late/administrative fee is applied to bounced checks and declined auto pays.**

CLOSURES: Studio Pulse follows ASD holiday and weather closures only. Classes still run on most in-service days. In case of emergency/weather closures, we will send an email and post on the Studio Pulse Center for Dance Facebook page. Make-up classes are available.

ATTENDANCE: The studio opens 20 minutes prior to the first class of the day, and dancers must be dressed and ready by class start time. Regular attendance is imperative, and being present for class warm up is required for dancer safety. When a dancer misses classes or is perpetually tardy, both the dancer and the class fall behind.

WITHDRAWAL: To officially withdraw a student from class(es) and to end continued tuition charges, email StudioPulseAK@gmail.com with notice of withdrawal two weeks prior to the first of the month. Any students withdrawing and returning later in the year will incur a \$25 administrative fee. *Studio Pulse is unable to hold a spot for students who leave for extended periods of time (vacations, sports) but who do not continue paying tuition.*

MAKE-UP CLASSES: Make-up classes are provided as a courtesy only - we can not provide tuition adjustments for missed classes. Make up classes are not available prior to recital due to each class' individual performance preparations.

COMMUNICATION: Important information will be emailed throughout the year. General information is also posted on our website, the Studio Pulse Center for Dance Facebook page, and @PulseDanceAK Instagram. Please email StudioPulseAK@gmail.com with questions - we can't guarantee a timely response on social media.

STUDENT PICK UP: If your dancer is under the age of 10, please arrive at studio doors for pickup. Children may NOT exit alone or run into the parking lot unattended.

STUDIO RULES & ETIQUETTE:

- Seats for class viewing are limited. To keep hallways clear and for ongoing health precautions, we are unable to accommodate multiple family members per dancer in our waiting areas. Please - no running, jumping, or yelling in the facility Thank you for your help!
- Remove shoes when entering the facility so that floors remain clean and dry for students.
- Absolutely NO food or beverages other than water permitted in the lounge area.
- Dressing rooms are furnished with cubbies and coat hooks so that students can neatly store their belongings out of main traffic areas.
- We value our off-screen time and meaningful human interactions. We ask that dancers' cell phones be silenced and put away while in our facility, and smart watches set to "do not disturb" or airplane mode. It's because we love ya!
